Projects

Personal Portfolio

● Built a responsive portfolio website using HTML, CSS, and JavaScript.

● Showcased front-end projects with clean, mobile-friendly design.

● Applied best practices in layout, styling and interactivity.

Advertisement Manager (Team Project)

● Developed a web app for posting and managing adverts with a 5-member team.

● Contributed to frontend design using NiceGUI.

● Collaborated via GitHub, ensuring smooth team workflow.

Event Manager

● Created an event management app using NiceGUI.

● Implemented event creation, updates and viewing with a responsive interface.

● Optimized navigation and usability through clean grid-based layouts.
